Lebe Deine Vision

Exposure Camp & Combine

July 10-12, 2018

Rancho Cucamonga, CA

**LEBE DEINE VISION EXPOSURE CAMP & COMBINE**

## ABOUT US

Welcome to the Fröhlich Basketball Academy,

First of all, we would like to congratulate you for being a dedicated player who is committed to taking your training, your game, as well as your life to the next level.

The Fröhlich Basketball Academy remains a leader with an all inclusive three tier approach necessary for our next-generation athletes: Spirit, Mind & Body. We empower and encourage student athletes to get to the next level of their game through dedication and hard work on and off the court.

Our curriculum is based upon previous interaction and work with collegiate coaches, professional teams in the US and overseas, the NBA and WNBA and also the German National Team. This broad combination of teachings and expertise help create a solid base of fundamentals which are taught all around the world and translate to on court performance.

Linda and her staff's collegiate and WNBA experience, provide a wealth of communication, exposure and opportunities at the college level.

## WHY US

The Linda Fröhlich 'Lebe Deine Vision Exposure Camp & Combine' is for young athletes who aspire to play basketball at the collegiate level.

Get insight from Linda and her staff of former WNBA and European professional athletes, who will share their valuable expertise. Athletes will learn what exactly it takes to not only be a collegiate athlete, but also how to excel at that next level. With helpful pointers from Linda and staff, the players will see there is more to their success than just making a basket. Players will get helpful advice on how to be successful on and off the court.

## WHAT THEY'RE SAYING

*"Linda Fröhlich teaching young players the fundamentals of the game of basketball could not be more exciting! Linda's career, her accomplishments as a player, speak for themselves. What those that have not worked with Linda don't see is "who" she is - the person. Linda is one of the most intelligent, funniest, most passionate, smart and witty people I know. Her ability to connect with any person, any personality and to do so while making them feel good, genuine and important is a true gift very few people possess. To combine that with her vast basketball knowledge and her ability to teach is unprecedented!" - **Jeff House**, former assistant coach for Chicago Sky, Washington Mystics, and New York Liberty*

*"My daughter is getting a lot of good knowledge with being here. It helps with her senior year as far as applying to college, what college scouts are looking for. Letting her know it's more than just being a scorer but a team player. Today, I really liked that they learned what scouts are looking for and how realistic it is for you to play at a D1 school versus a D2 school. As far as the camp itself, I liked it. It was hard training and drills and my daughter was tired, she worked really hard here. Thank You." - **Mr. Williams**, parent*

*"I brought several of my players to the camp and what I like about the camp is that they did a lot of fundamental skill work, they really had a lot of attention to detail. Really hitting on attitude, hard work, finishing strong, all of the things I teach so they validated me. They stopped the kids; they corrected the kids on a lot of things." **Daphne Honma**, Honoka'a High School Coach - 2015 Hawaii State Champions*
